Dear Parent/Guardian,

Katandra Berendale Special School (interim name) is looking forward to another great year of teaching and learning and would like to advise you of Katandra Berendale Special School's voluntary financial contributions for 2023

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to provide the classroom and specialist subject materials for your child's learning, a wider offering of subjects and special curriculum experiences, digital learning devices and equipment upkeep of school owned buses, online learning applications.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Juliet Cooper
